ABOUT ME

3 years of Design Experience in Consumer and Enterprise UX.

5+ years of Industry Experience.

Strong knowledge of User Centric Design and Elements of User Experience

Worked across several other domains such as Service Design, Game Design, Tangible Interaction and Internet of Things.

Designed and delivered projects from inception to implementation.

Explored interactive technology and has contributed to renowned conferences such as AP-CHI, HCI India.

In spare time I prefer travelling, making DIY products, play tennis and eat.
